

New Megaband CD Order Form

The all-volunteer, 80-member Megaband is open to any musician, on any acoustic instrument, at any experience level from veteran to beginner. Band members' ages span 8 decades, and 31 different instruments can be heard on this recording. In the 12 years that the band has been playing, dancers have been driven to paroxysms of delight by its tightly harmonized wall of sound. The Megaband repertoire include tunes written by band members and contra dance standards, as well as new tunes from other regions. This CD was recorded live at the annual Portland Megaband contra dance in March, 2009 and contains 74 minutes of music from that event, each tune played with most of the arrangements and all of the energy intact.
